BUILD STRONGER CONNECTIONS

with Oral Medicine Professionals

WHAT IS AAOM?

Founded in 1945, the American Academy of Oral Medicine offers credentialing, resources, and professional community for oral medicine practitioners. With about 700 active members, we care for thousands of patients whose underlying medical conditions affect oral health and the delivery of dental care. We also advocate for optimal oral health and healthcare for everyone with medical illness.

WHY SHOULD YOU PARTNER/SPONSOR WITH AAOM ?

Partnering with the AAOM provides access to a global oral medicine community expanding your branding across the world. AAOM is the only member organization in the United States exclusively representing the needs of oral medicine physicians and welcomes affiliates of oral medicine as well. We encourage the development of exclusive opportunities that will promote your brand while advancing the field of oral medicine.

PROMOTIONAL SUPPORT INFORMATION

The ADA CERP standards and criteria are designed to ensure separation of promotional activities from continuing dental education activities (CDE) in the following ways:

1. CDE providers must demonstrate that all educational activities are independent of commercial influence, either direct or indirect.
2. CDE providers must ensure that all financial relationships between the provider and commercial entities, as well as all financial relationships between course planners and faculty and commercial entities are fully disclosed to participants.
3. Product-promotion material or product-specific advertisement of any type is prohibited in or during continuing dental education activities.
4. Live promotional activities (staffed exhibits, presentations) or enduring promotional activities (print or electronic advertisements) must be kept separate from CDE.
